Sandbagged: DEA Case Nets 400 Arrests, \$45 Million, and 18 Tons of Drugs

Operation Imperial Emperor also uncovers sandbag bridge from U.S. to Mexico

Two years ago this phenomenal case began with just a traffic stop. That single stop led to one of our largest drug busts in 10 years and the dismantling of an organization that we now know was smuggling multi-tons of drugs on a monthly basis to distribution cells located in *every region* of the United States.

Losing Bid: Meth Trafficker Caught Buying Chemicals on eBay

Excellent cyber-sleuthing led to the arrest of an Austin, Texas, man who was buying chemicals he needed to make methamphetamine from eBay, the on-line auction site. Local law enforcement and DEA caught on when Ted Booker regularly bought quantities of iodine crystals.

Pennsylvania Middle School Principal Arrested for Dealing Drugs

Sadly, it is stories like these that make parents lose sleep at night and inspire DEA agents to work long, hard hours. Last week, DEA Arrested Bethlehem, Pennsylvania, principal John Acerra, who was not only selling methamphetamine, he was selling it from his office on school grounds.
